All Times Eastern • Country Code: +1

DX Engineering can supply you with what you need to stay competitive, including advice from serious Amateur Operators, access to great gear and the fastest shipping in the industry.

DX Engineering Receive Preamplifier

- Better than most radio front-ends
- Advanced push-pull design eliminates harmonic distortion
- High quiescent current handles strong signals
- Covers 300 kHz-35 MHz

DXE-RPA-1

DX Engineering Receive Antenna Variable Phasing Controller

- Creates a "virtual rotator" by combining 2 receive antennas
- Null-out unwanted directional noise or enhance distant signals
- Perfect for improving less-than-ideal antenna installations
- Optional Receive Filters available for band-specific enhanced performance

DXE-NCC-1

InLogis Active Magnetic Loop HF Receiving Antenna

- Pixel Technologies is now InLogis
- Compact, 38 inch loop provides excellent broadband reception
- Covers 100 kHz to 30 MHz
- Rejects up to 30 dB of electrostatic field noise

INS-RF-PRO-1B

Hi-Z Antenna Products

- HF Receiving Array Systems, Preamps, Filters and Transformers
- Available exclusively at DX Engineering
- Work well in high-RF fields
- Compact arrays won't take up a lot of space

KD9SV 160/80 Meter Systems

- Preamplifiers, antenna switches, Beverage systems and KD9SV's unique Front-End Saver
- Available exclusively at DX Engineering
- High-performance Top-Band gear

Get the right parts and blazing-fast shipping. Request your catalog and shop online 24 hours a day, 7 days a week at DXEngineering.com.

26th Annual Top Band Dinner

Friday • May 15, 2015

6:15

Social Hour

7:30

Dinner

Welcome

Tim Duffy, K3LR

Top Band Roll Call

Program: The K1N Top Band Experience

Bob Allphin, K4UEE

We are pleased to have Bob Allphin, K4UEE with us to present "Top Band Operations from K1N – Navassa Island 2015". As the lead for K1N Bob will tell us what is was like to spend 15 years gaining permission, planning and executing this project, and what it was like to see a dream become reality. He will talk about what the island is like and tell us about some of the many contacts made. So sit back, relax, and be prepared to be amazed.

Tickets for the 2016 Top Band Dinner will be available
after January 1, 2016 at <http://TopBandDinner.com>

Program compliments of DX Engineering

Contesting made easy

IC-7600
HF / 50MHz Transceiver

IC-7700
HF / 50MHz Transceiver

IC-7851
HF / 50MHz Transceiver

**Heard it...
Worked it...
LOGGED IT!**
